Suisun, CA 94585

Dear President Laguerre:

The Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges, at its meeting January 11-13, 2011, reviewed the Follow-Up Report submitted by the College and the report of the evaluation team which visited Monday, November 1, 2010. The Commission is pleased to note that the College has now resolved Recommendations 1, 2, 3, 6 and 8 as well as all other recommendations identified in the Commission's action letters since 2005. The Commission also took action to **remove Probation** and expects the College to show it has institutionalized and sustained its good practices at the time of the next comprehensive visit.

The Follow-Up Report will become part of the accreditation history of the College and should be used in preparing for the next comprehensive evaluation. I have previously sent you a copy of the Evaluation Team Report. Additional copies may now be duplicated. The Commission requires that you give the report and this letter appropriate dissemination to your college staff and to those who were signatories of your college report. This group should include campus leadership and the Board of Trustees. The Commission also requires that all reports be made available to students and the public. Placing copies in the college library can accomplish this. Should you want an electronic copy of the report, please contact Commission staff.

Please note that the next comprehensive evaluation of Solano Community College will occur during **Fall 2011**.

**Commission Reminder:** The Commission expects that institutions meet standards that require the identification and assessment of student learning outcomes, and the use of assessment data to plan and implement improvements to educational quality, by fall 2012. The Commission reminds Solano Community College that it must be prepared to demonstrate that it meets these standards by fall 2012 (Standards I.B.1, II.A.2.e, II.A.2.f, II.B.4, and II.C.2).

On behalf of the Commission, I wish to express continuing interest in the institution's educational quality and students' success. Professional self-regulation is the most effective means of assuring educational integrity, effectiveness, and quality.

Sincerely,
