SOLANO
COMMUNITY COLLEGE

## 2017-2018 Catalog Addendum

This catalog addendum reflects updates and corrections to the 2017-2018 catalog.
New and modified program and courses are effective Spring 2018.
The complete catalog covers Summer semester (June-July 2017);
Fall semester (August-December 2017); and Spring semester (January-May 2018).
Catalog Revised 11/2017
www.solano.edu
A public community college serving the Northern California communities of Benicia, Dixon, Fairfield, Suisun, Travis Air Force Base, Vacaville, Vallejo, and Winters

Solano Community College Fairfield Campus
4000 Suisun Valley Road, Fairfield, CA94534-3197
(707) 864-7000

Vacaville Center
2001 North Village Parkway, Vacaville, CA95688
(707) 863-7836

Vallejo Center
545 Columbus Parkway, Vallejo, CA 94591
(707) 642-8188

## Travis Air Force Base Center

530 Hickam Ave., Bldg. 249, Travis Air Force Base, CA94535
(707) 424-2431

## Accreditation and Approvals

- Solano Community College is accredited by the Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges, 10 Commercial Blvd., Suite 204, Novato, California 94949, (415) 506-0234, an institutional accrediting body recognized by the Council for Higher Education Accreditation and the U.S. Department of Education. Additional information about accreditation, including the filing of complaints against member institutions, can be found at: www.accjc.org.
- The Nursing program is approved by the California State Board of Registered Nursing.
- The Cosmetology program is approved by the California State Board of Barbering and Cosmetology.
- The Aeronautics program is certified by the Federal Aviation Administration (FAA) in accordance with CFR14, FAR Part 147.
- Solano Community College is approved for veterans training by the U.S. Department of State and for Foreign Student Education by the U.S. Immigration Service (USCIS).

## Campus Information

OFF-CAMPUS CLASSES
Classes are offered at three off-campus centers and other locations throughout Solano County.
*Parking permit required at the centers listed below.
Vacaville Center (VVCTR)*
2001 N. Village Parkway, Vacaville
Counseling services available
Vallejo Center (VJOCTR)*
545 Columbus Parkway, Vallejo
Counseling services available
Travis Air Force Base (FFTAFB)*
Travis University Center
530 Hickman Ave, Bldg 249. Travis AFB
Counseling services available. Please visit SCC web site for TAFB security requirements prior to registering for classes. Students must be enrolled in classes at TAFB in order to receive SCC services on Base.

Other Locations
Vallejo Automotive Technology (VJAUTO)
1687 North Ascot Parkway, Vallejo
Nut Tree Airport (Aeronautics) (VVNUT) 275 County Airport Road, Vacaville

Varioushigh school locations throughout the region, California State Prison (CSPS) and California Correctional Medical Facilty (CMF), Vacaville (Classes at CSPS and CMF are currently not open to the general public)

For specific locations and times, registration, and other information, please see the Schedule of Classes at the SCC website www.solano.edu or contact the Office of Admissions at (707) 864-7171.

## Admissions and Registration

Students are responsible for officially dropping their courses before established deadlines. Nonattendance or non-payment of fees will not remove you from a coursenor alleviate your responsibility to pay fees.

Students who do not officially drop courses may receive an "F" for the term and incur a student debt. Students should drop courses online.

## FEES

Fees are due and payable at the time of registration. All debts to the College must be cleared before students may register for classes.

## NON-RESIDENT TUITION

Non-residents (out-of-state and international students) must pay tuition fees at the time of registration. At the time of publication of this catalog, fees are $\$ 227.00$ per unit. All non-resident students are also required to pay a $\$ 46.00$ per unit enrollment fee and a $\$ 5.00$ per unit nonresidential capital outlay fee. Fees are subject to change.

## GENERAL ENROLLMENT FEES AND OTHER COSTS

- Enrollment fee: \$46 per unit.* There is no enrollment fee for noncredit classes. Students taking upper division courses for the Bachelor's Degree in Biomanufacturing will be assessed an additional \$84 per unit.
- Parking permits are required for students parkingtheir vehicles at the Fairfield campus, Vallejo and Vacaville Centers - \$20 fee per vehicle.
- Student transcript fee: $\$ 4.00$; Rush service $\$ 7.50 ; \$ 1.00$ unofficial transcript.
- Student on-campus enrollment verification fee: $\$ 1.00$; Verification service through the National Student Clearinghouse: Visit the Clearing House web site for current fees.
- Student photo ID for on-campus students: \$5.00 (good for nine consecutive semesters when validated).
- Student Center fee: $\$ 1$ per unit, up to a maximum of $\$ 10$ per student fiscal year (July 1-June 30).
- Library fines: See website for fees.
- Parking citations: $\$ 20$ (for regular parking citations); \$275 (for handicapped parking citations).
- Transportation Fee: $\$ 10$ per semester for students enrolling in 12 or more units; $\$ 8$ for 6.5-11.5 units; $\$ 4$ for 3.5-6 units; $\$ 1.50$ for 0.5-3 untis.
- Instructional and required materials fees: See the Schedule of Classes.
- Health fee: Fall/Spring-\$13.00; Summer-\$5.00**
** The State of California has mandated this fee for credit courses through Section 72252 of the California State Education Code. The fee is not applicable to students who can demonstrate, at the time of enrollment, that they are recipients of benefits under the CalWORKS program, the Supplemental Security Income/State Supplementary program, or the General Assistance program. Fee waiver forms may be obtained from the Financial Aid Office. The enrollment fee is subject to change by the State Legislature.

Refer to Financial Aid Programs \& Eligibility BOG fee Waiver (BOG FW) information.

## APPLYING FOR REFUNDS

Classes dropped by appropriate deadlines are automatically refunded. Any outstanding debts are deducted from refunds. Fees are refunded by check 2-4 weeks after classes are dropped.

## CALIFORNIA COMMUNITY COLLEGES <br> ENROLLMENT AND NON-RESIDENT TUITION FEE

## Fall and Spring Semesters - Full Term Classes

Through refund deadline, $100 \%$ of the California Community College Enrollment Fee will be refunded.

## Summer Session and Short-Term Courses

Through $10 \%$ of the course, $100 \%$ of the California Community College Enrollment Fee will be refunded.

## HEALTH AND STUDENT CENTER FEES

The Health and Student Center fees are only refundable if all classes are dropped prior to the beginning of the semester.

Since the provision of health services is very expensive and the California Community College system does not have sufficient funds to subsidize student health services, the State Legislature mandates that the burden of supporting a student health center will be shared by all Solano Community College students through a general fee, regardless of whether they utilize the health center or have their own insurance.

The following students are exempt from paying the mandatory health fee:
(1) Students who depend exclusively upon prayer for healing in accordance with the teachings of a bona fide religious sect, denomination, or organization.
*Fees Subject to change.

# Academic Regulations 

## Progress Probation

## A. Placement on Progress Probation

A student shall be placed on progress probation for the following reason:

1. A student has attempted at least 12 total semester units and received transcript entries of "W", "I", or "NP" representing $50 \%$ or more of all units attempted.

## B. Removal from Progress Probation

1. A student will be removed from progress probation when the student has received transcript entries of "W", "I", or "NP" for less than $50 \%$ of all units attempted.

## Dismissal

Dismissal prohibits the student from enrolling until one primary semester has passed and the student has met with a counselor and/or attended a probation/ dismissal workshop.

## A. Placement on Dismissal

A student will be dismissed for one or more of the following reasons:

1. A student achieves a cumulative GPA of less than 2.0 for three consecutive primary semesters.

2 A student receives 50\% or more of transcriptentries as "W", "I", of "NP" for three consecutive, primary semesters.

## B. Removal from Dismissal

A student will be removed from Dismissal for any of the following reasons:

1. A student's cumulative GPA is 2.0 or better and a Student's transcript entries of "W", "I", or "NP" are less than $50 \%$ of all units attempted.
2 Satisfactory Progress After Dismissal: A student who meets the requirements for readmissions after dismissal and achieves a semester GPA of 2.25 or greater, but does not have an overall cumulative GPA of 2.0 or greater, shall remain on academic probation until the cumulative GPA is 2.0 or better. (This condition only overrides A.1. above.)

If semester GPA falls below 2.25 and/or student qualifies for Progress Probation, student will be academically and/ or progress dismissed.

## Appeals

Students who are dismissed may file an appeal to contest the requirement of sitting out a primary semester with the Vice President, Student Services, or designee if extenuating circumstances exist which caused the substandard grades. To appeal, students complete the Readmit After Dismissal petition and indicate on it that they are appealing the requirement of sitting out a primary semester.

## ACADEMIC RENEWAL WITHOUT COURSE REPETITION- STUDENT SERVICES

## PROCEDURES 5110

Pursuant to regulations established by the Board of Governors of the California Community Colleges (Title 5, Section 55764), students may, under the provisions outlined below, petition for the elimination of past substandard coursework (D, F, or NP) in the calculation of the student's grade point average (GPA). Academic renewal, however, is not an exception that permits additional repetitions of a course. Students may repeat a credit course only if allowed by another provision of section 55040et.seq.

1. Coursework eligible for consideration under this regulation shall be:
a) No more than thirty (30) units;
b) Clearly sub-standard coursework, defined as those courses in which the student earned grades of $\mathrm{D}, \mathrm{F}$ or No Pass; courses with non-evaluative grades are not eligible for renewal;
c) Courses taken at Solano Community College and
d) Courses taken three or more semesters (not including summer session) prior to petitioning.
2. Students are not eligible for relief under the academic renewal policy until they have:
a) Completed at least fifteen (15) units, with a grade of " $C$ " or better at a regionally accredited post-secondary institution subsequent to the coursework to be alleviated;
b) Met the three semester (not including summer session) time requirements; and
c) Filed an Academic Renewal Petition with the Office of Admissions and Records.
3. Courses eliminated under this procedure may not be applied toward any degree or certificate requirement. Academic renewal actions are irreversible.
4. If the request is approved, the student's academic record will be annotated to reflect the change, but all work will remain legible.
5. Solano Community College may honor the Academic Renewal Policy of other regionally accredited institutions in disregarding previous academic work.
6. Students should understand that other colleges may not honor the Academic Renewal Regulations of Solano Community College.

## General Education Option A

In using this option to complete the Solano College general education (GE) requirement, students should note:

1. Students must complete at least 21 units with a minimum of 3 units from each Area A, B1, C, D1, D3 and E, as well as the local District Health and Kinesiology requirement.
2. After meeting the minimum units required for each area, a student may select remaining units from all courses listed under the above areas or from Area B2 or D4. If two courses are selected from the same GE area, they must have a different course prefix for both to be used in satisfying GE requirements. Exceptions: English and Mathematics.
3. See Area D2 below for options to satisfy the Reading requirement.
4. Courses with the same prefix as the student's major may not be used to fulfill general education requirements. Exceptions: ENGL 001 (Area D1), ENGL 062 (Area D2) and Mathematics (AreaD2).
5. Courses used to satisfy the English (Area D1), Reading (Area D2) and Mathematics (Area D2) requirements must be completed with a minimum grade of $C$ or a $P$ if the course is taken on a Pass/No Pass basis.

## Local District Requirements - Health and Physical Education

Choose one of the following:
a. Two KINE activity courses
b. Two ATHL Intercollegiate sport courses
c. One KINE activity course and one ATHL Intercollegiate sport course
d. One of the following: HED 002, 003; KINE 020A, 020V, 020W, 057; DD214 (military experience)

C = Completed; IP = In Progress; P = Planned; (L) Lab course; * May be used in only one area + Indicates that transfer credit may be limited by either UC or CSU or both; Consult a counselor for details

## Intersegmental General Education 2017-18 Transfer Curriculum (IGETC) Option B

The Intersegmental General Education Transfer Curriculum (IGETC) is a pattern of courses that allows community college transfer students to fulfill lower-division general education requirements either at the UC or the CSU system. The IGETC pattern is most useful for students who want to keep their options open before making a final decision about transferring to a particular UC or CSU campus. Completion of IGETC does not guarantee admission, nor is it generally required for admission. IGETC is not appropriate for some majors. Students should request certification from Admission and Records prior to transfer. Please see a counselor for additional information and guidance.
Note: All courses used for IGETC must be completed with a minimum grade of C and must be IGETC approved at the time the course is completed.

## CSU General Education Option C

The CSU GE pattern is a set of courses approved to meet lower division general education requirements at the California State University system. For full certification, a student must complete 39 units in each subject area (A-E) minimum. Partial certification is also available for students missing one or more courses. Students should request certification from Admissions and Records prior to transfer. Please see a counselor for additional information and academic guidance.

## Announcement of Course \& Course Numbers

Solano Community College has established recommended minimum English and math standards for Associate Degree-level courses across the disciplines to advise students of the levels of writing, reading, and math skills they should have in order to have the most beneficial learning experience. Advisory information for a course appears in the "Course Advisory" area of the catalog description. The recommended minimum skill level in English in an Associate Degree-level course (SCC minimum English standard) is eligibility for enrollment in ENGL 360. The recommended minimum skill level in mathematics in an Associate Degree-level course (SCC minimum Math standard) is eligibility for enrollment in elementary algebra (MATH 330).

## Associate in Arts in Art History for Transfer (ADT: A.A.-T)

## Program Description

This program provides the academic and practical experience to prepare students for a career, or further education at a four-year institution, in art history and related fields, such as museum studies, art education and administration. The Associate in Arts in Art History for Transfer provides the academic and practical experience to transfer into the CSU system to complete a baccalaureate degree that will prepare students for a career in the Art History industry.

## Associate in Arts in Art History for Transfer

The Associate in Arts in Art History for Transfer degree is especially designed for students who plan to complete a bachelor's degree in Art History at a CSU campus. Students completing an Associate in Arts in Art History for Transfer degree are guaranteed admission to the CSU system, but not to a particular campus or major. Students transferring to a CSU campus that accepts the Associate in Arts in Art History for Transfer degree will be required to complete no more than 60 units after transfer to earn a bachelor's degree. The Associate in Arts in Art History for Transfer degree also prepares students for art history degree programs at CSU institutions, but does not come with the same guarantees. In all cases, students should consult with a counselor for more information on university admission and transfer requirements.

## To earn the Associate in Arts in Art History for Transfer degree, students must:

1. Complete 60 semester units that are eligible for transfer to the California State University, including both of the following:
a. The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education - Breadth Requirements
b. A minimum of 18 semester units in a major or area of emphasis, as determined by the community college district.
2. Obtain a minimum grade point average of 2.0 .

## Program Outcomes

Students who complete the Associate in Arts in Art History for Transfer degree will be able to:

1. Analyze, apply and integrate diverse visual experiences.
2. Develop and articulate with proficiency an understanding of visual and multi-cultural literacy.
3. Work independently and cooperatively to solve creative problems, applying critical thinking skills.

## Astronomy

ASTR<br>050<br>1.0 Unit<br>Astronomical Optics<br>Course Advisory: A minimum grade of B in ASTR 030 and ASTR 040; A minimum grade of C in MATH 104. An introduction to principles of astronomical optics. The student will apply these principles to the design, fabrication, and use of a telescope, which will be tested under the night sky. Primary mirrors will be ground, smoothed, polished, and figured by hand. Optics and optical testing theories will be presented. Students will design and build a custom optical tube assembly and telescope mount. Field trips may be required. Required materials will be purchased by the students; estimated cost of $\$ 250$. Three hours lab.

## Automotive

## Automotive Maintenance and Light Repair

## Program Description

This certificate is designed to prepare graduates for entry level employment in the automotive industry as an apprentice technician, lube technician, express service technician, or parts specialist.

## Certificate of Achievement

The Certificate of Achievement can be obtained upon completion of the 17 unit automotive major. All courses in the major must be completed with a grade of C or better or a P if the course is taken on a Pass/No Pass basis.

## Program Outcomes

Students who complete the Certificate will be technically proficient in entry level skills as defined by the National Automotive Technician's Education Foundation (NATEF). Students will demonstrate and practice 85\% of all MLR P1, P2, and P3 (priority level) tasks in accordance with the 2013 NATEF automotive training program accreditation standards for the MLR Technician G1 Automotive Service Excellence (ASE) Certification.

## REQUIRED COURSES.

This is a Gainful Employment Program. For additional information, please visit http://www.solano.edu/gainful_employment/ and select "Automotive Technician."

## Biology

## BIO 005

### 5.0 Units

Human Physiology
Prerequisite: A minimum grade of C in BIO 004 and CHEM 001, CHEM 010, or CHEM 012. Course Advisory: SCC minimum English and Math standards. This course describes physiological and homeostatic mechanisms of the body systems in health and disease. The laboratory relates structure to function, uses instrumentation to measure physiological variables, and enables students to critically evaluate functional status. C-ID BIOL 120B Three hours lecture, six hours lab.

## Business

## Business, General

## Program Description

This Program provides a foundation of knowledge under the umbrella of Business Administration. Students are armed with the skills and knowledge necessary to understand the rapidly changing global business environment and can specialize in areas such as advertising, marketing, accounting, finance, real estate management, and entrepreneurship.

## Certificate of Achievement and Associate in Science Degree

The Certificate of Achievement can be obtained upon completion of the 26 unit major. The Associate in Science Degree can be obtained upon completion of the major, and general education requirements. All courses in the major must be completed with minimum grade of C or a P if the course is taken on a Pass/No Pass basis.

## Program Outcomes

1. Students who complete the Certificate of Achievement/Associate Degree will be able to:
2. Recognize and describe the importance of marketing, law, economics, accounting, business administration, finance, risk analysis, and personal management in business and formulate hypotheses based on these concepts.
REQUIRED COURSES. ..... Units

## Business

## BUS <br> 005 <br> 3.0 Units <br> Introduction to Business

Course Advisory: Eligibility for ENGL 001; SCC minimum
Math standard. A study and analysis of the principles of business by providing a multidisciplinary examination of how culture, society, economic systems, legal, international, political, financial institutions and human behavior interact. The course introduces students to contemporary business principles, practices, and terminology. Students will gain an understanding and appreciation of the private enterprise system and how the functional areas of business work, interrelate and affect a business organization's policy and practices within the U.S. and global society. Students also gain the knowledge to demonstrate how these policies and practices impact the primary areas of business such as: leadership, human resource management, organized labor practices, marketing, organizational communication, technology, entrepreneurship, legal, accounting, financial practices, the stock and securities market and how it affect a business' ability to achieve its organizational goals. The course explores business career opportunities, provides the prerequisite knowledge needed for success in other business courses, and prepares students for transfer to upper-division business degree programs. Assigned readings, class participation, written homework, and written examinations are required. Three hours lecture.

## Chemistry

## Life Management

Course Advisory: SCC minimum English standard. A survey of the areas of life which influence decision-making. Students are introduced to areas of human development (emotional, intellectual, physical, and social) which influence decision making. They will analyze and evaluate differences in values, motivation, and goals. Includes introduction to financial, time and stress management, and communication skills. Requires written papers and problem-solving exercises. Three hours lecture.

Performance Psychology
Course Advisory: SCC minimum English and Math standards. Explores the psychological, social and physiological factors influencing optimal performance in life's endeavors including academics, performing arts, sport, and in interpersonal and business relationships. Topics required student evaluation of self care, life balance, confidence, arousal management, motivation, goal attainment, concentration, positive self talk, commitment, uses of imagery and visualization, active listening and demonstrating empathy. Briefly listed as COUN 009 for 2016-2017 catalog. Three hours lecture.

## Horticulture

HORT $030 \quad$ 3.0 Units<br>Landscape Design I<br>Course Advisory: HORT 006; HORT 050; SCC<br>minimum English and Math standards. Introduction to the skills and techniques of landscape design principles and practices. Laboratories will stress drafting techniques through design projects. Field trips required. Two hours lecture, three hours lab.

## Kinesiology

## Sports Medicine/Fitness Science

## Program Description

The Department of Kinesiology at Solano Community College offers a Sports Medicine Program. We are proud of our program and its students. The program is very strong academically with a core of science courses and hands-on laboratories. The intent of the program is to increase the students' breadth and depth of knowledge relative to the discipline of Kinesiology and Health Science; to provide the opportunity for students to engage in scholarly activity that includes creative, critical, and analytical thinking; and to provide a focus of study that will enhance career commitment and allow for experiences that will lead to continued self-development and growth.

## Associate in Science Degree

The Associate in Science Degree can be obtained upon completion of a total 60 units, including the 35-unit major, the general education requirements, and electives. All courses for this major must be completed with a grade of C or better or a P if the course is taken on a Pass/No Pass basis.

## Program Outcomes

Students who complete the Sports Medicine/Fitness Science Associate Degree will be able to:

1. Understand the psychological, physiological, and social benefits of physical activity
2. Demonstrate an understanding of the R.I.C.E. principle
3. Develop and apply strategies to prevent the incidence and/or severity of injury andillnesses
4. Demonstrate the clinical skills needed to appropriately diagnose patients for treatment and referral
5. Think critically and be a productive member of society
6. Complete athletic training competency skills required in first 2 years of ATEP Athletic Training programs.
7. Apply clinical and decision making skills to respond to acute injury and illness; including emergencies
8. Assess patient status and develop treatment and rehabilitation that are consistent with contemporary disablement models

## Kinesiology

## Associate in Arts in Kinesiology for Transfer (ADT: A.A.-T)

## Program Description

The Associate in Arts in Kinesiology for Transfer degree is designed to provide a seamless transfer pathway for students interested in pursuing at least one Kinesiology degree option in the CSU system.

## Associate in Arts in Kinesiology for Transfer

Successful completion of the Associate in Arts in Kinesiology for Transfer degree prepares students to transfer into the CSU system and work in the sub-fields of Kinesiology. Students will learn about human functioning during sport and exercise, how exercise science and biomechanics is integrated into exercise program development, and observation and assessment of human performance. The Associate in Arts in Kinesiology for Transfer degree can provide students with the foundational knowledge necessary for transfer to a 4-year Bachelor of Science (BS) or Bachelor of Arts (BA) degree program. Students are encouraged to meet with a counselor to develop their educational plans as degree options and general education requirements vary for each university.

## To earn the Associate in Arts in Kinesiology for Transfer degree, students must:

1. Complete 60 semester units that are eligible for transfer to the California State University, including both of the following:
a. The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education - Breadth Requirements
b. A minimum of 18 semester units in a major or area of emphasis, as determined by the community college district.
2. Obtain a minimum grade point average of 2.0.

## Program Outcomes

Students who complete the Associate in Arts in Kinesiology for Transfer degree will be able to:

1. Use the fundamentals of biomechanics and exercise physiology and apply them to sport and fitness pedagogy.

2 Assess and measure the five components of fitness through improvements in fitness levels by comprehensive analysis of aerobic capacity, body composition, muscular strength and endurance, and flexibility.
3. Define and utilize the varieties of fitness and training principles as they pertain to each of the body systems in promoting homeostasis and how such body systems adapt to the demands of fitness and sports training.
4. Discuss how sociological, psychological, historical, and philosophical factors influence the discipline of Kinesiology and sports.

## REQUIRED CORE Units

## Kinesiology

Athletics
$\begin{array}{ll}\text { ATHL 001B } \\ \text { Pre-season Intercollegiate Volleyball } & \text { 1.0 Unit }\end{array}$
A comprehensive course designed for the intercollegiate student-athlete. The course focus is on continued development and enhancement of physical performance and maintenance level required of each student-athlete participating in intercollegiate volleyball. The course will focus on learning and execution of fitness/conditioning parameters as well as pre and post tests on volleyball skills. Repeatable 3 times. Four hours lab.
$\begin{array}{ll}\text { ATHL 004A } & \text { 1.5 Units } \\ \text { Off-season Intercollegiate Women's Soccer }\end{array}$
Course Advisory: Higher level soccer playing experience such as high school school and/or club level. A comprehensive course designed for the student athlete covering intercollegiate soccer skills. The course includes the theories and analyses of offensive and defensive strategies, skill acquisition, development of fitness skills and mental preparation for non-traditional competition. Repeatable 3 times. Five hours lab.

## Management

## Retail Management

## Program Description

Designed to serve the needs of the employees and employers within the retail industry. The program provides the knowledge and skills needed to prepare students for both entry level jobs and upward mobility opportunities in this dynamic and ever changing segment of our economy. Program emphasis is placed on professional and career development

## Certificate of Achievement and Associate in Science Degree

A Certificate of Achievement in Retail Management can be obtained by completing the 25 unit major. The Associate in Science Degree can be obtained by completing the major, general education requirements, and electives. All courses for this major must be completed with a grade of C or better or a P if the course is taken on a pass-no pass basis.

## Program Outcomes

Students who complete the Retail Management Certificate of Achievement/Associate Degree will be able to:

1. Demonstrate oral and written skills unique in the business community.
2. Apply leadership, ethical standards, and team building skills necessary for managerial positions in the 21st century.
3. Conduct a personal SWOT analysis for a future small business venture.
4. Design a comprehensive business plan for a future small business venture.
5. Demonstrate the ability to use technology in analyzing and solving business problems.
6. Use basic computation skills to analyze and solve business problems requiring the use of mathematics.

## Psychology

## Psychology

## Program Description

The psychology program provides a broad overview of psychology as a science, in particular regard to major theories, methods, and applications. The program emphasizes critical thinking, skeptical inquiry and the scientific approach to understanding behavior and mental processes. In addition, personal, social, and organizational issues are explored using psychological principles.

## Associate in Arts Degree

The Associate in Arts Degree can be obtained by completing a total of 60 units, including the 22-unit major, general education requirements and electives. All courses for this major must be completed with a grade of C or better or a P if the course is taken on a Pass/No Pass basis.

## Program Outcomes

Students who complete the Psychology Associate Degree will be able to:

1. Demonstrate an understanding of psychology as a science in regard to major theories, methods, and applications.
2. Successfully complete required psychology (major) programcourses

## Psychology

## Associate in Arts in Psychology for Transfer (ADT: A.A.-T)

## Program Description

The psychology program provides academic instruction in basic psychological concepts, theories, terminology, and research methods, and promotes life skills, personal growth, and interpersonal effectiveness.

## Associate in Arts in Psychology for Transfer

The Associate in Arts for Transfer is especially appropriate for students who plan to complete a bachelor's degree in Psychology at a CSU campus. Students completing an A.A.-T degree are guaranteed admission to the CSU system, but not to a particular campus or major. Students transferring to a CSU campus that does accept the A.A.-T will be required to complete no more than 60 units after transfer to earn a bachelor's degree. This degree also prepares students for psychology degree programs at other four-year institutions, but does not come with the same guarantees. In all cases, students should consult with a counselor for more information on university admission and transfer requirements.

## To earn the Associate in Arts in Psychology for Transfer degree, students must:

1. Complete 60 semester units that are eligible for transfer to the California State University, including both of the following:
a. The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education - Breadth Requirements
b. A minimum of 18 semester units in a major or area of emphasis, as determined by the community college district.
2. Obtain a minimum grade point average of 2.0.

## Program Outcomes

Students who complete the Associate in Arts in Psychology for Transfer degree will be able to:

1. Demonstrate an understanding of psychology as a science, in regard to major theories, method, and applications.
2. Students will successfully complete required psychology (major) program.

## University Studies

## Liberal Studies for Education

This Area of Emphasis is intended for students who plan to complete a baccalaureate degree and a California Multiple subject Teaching Credential. Most students pursue this credential with the goal of becoming elementary school or special education teachers. This degree is designed to accommodate the differing requirements of the California State University and the University of California campuses that offer majors preparing students for the multiple subject credentials.

## WELD 130 Beginning Shielded Metal Arc Welding-Stick 7018/6010

Advisory: SCC minimum English and Math standards. Designed to build arc welding skills with an emphasis on flat and horizontal welding. Course activities prepare students for welding certification and advanced welding classes. Welding applications and parameters are discussed and applied throughout the class developing the student's ability to problem solve and develop welding skills. Two hours lecture, three hours lab.

## WELD $131 \quad$ 3.0 Units

 Intermediate Shielded Metal Arc Welding-Stick Prerequisite: WELD 130 with a minimum grade of $C$. Advisory: SCC minimum English and Math standards. Designed to advance arc welding skills with an emphasis on vertical and overhead welding. Course activities prepare students for welding certification and employment. Welding applications and parameters are discussed and applied throughout the class developing the students ability to problem solve, develop and enhance welding skills. Two hours lecture, three hours lab.
## WELD 132 3.0 Units

## Advanced SMAW (Stick Welding)

Prerequisite: WELD 131 with a minimum grade of $C$. Course Advisory: SCC minimum English and Math standards. Designed to advance arc welding skills with an emphasis on vertical and overhead welding. Course activities prepare students for welding certification and employment in the metal trades. Welding applications and parameters are discussed and applied throughout the class developing the students ability to problem solve and develop welding skills. This course is designed to enhance welding skills and employability in the field of structural iron working. This course also prepares the student for the American Welding Society plate code D1.1 unlimited thickness in all position certification. Two hours lecture, three hours lab.

## WELD $135 \quad$ 3.0 Units MIG (GMAW) Welding

Course Advisory: SCC minimum English standard. Advances skills previously taught and moves the student forward in a career of manufacturing and facilities maintenance. This course covers 2F, 3F and 4G positions (vertical and overhead positions); Aluminum spool guns; and 35 pound Stainless steel 304 and 308 wires. Two hours lecture, three hours lab.

WELD $136 \quad$ 3.0 Units
Beginning Structural Steel \& Flux Core Arc Weld
Advisory: SCC minimum English and Math standards. Emphasizes developing skills on structural steel and FCAW practices. Related instruction will include ferrous metal identification and welding characteristics, Flux core welding applications and variable, dual shield inert shielding gases and mixtures, troubleshoot FCAW equipment and welds completed in the flat and horizontal positions (1G and 2G). Two hours lecture, three hours lab.

## WELD 137 3.0 Units

 Advanced Structural Steel \& Flux Core Arc Weld Prerequisite: WELD 136 with a minimum grade of $C$. Advisory: SCC minimum English and Math Standards. Emphasizes developing skills on structural steel and FCAW practices. Related instruction will include ferrous metal identification and welding characteristics, FCAW welding applications and variable, dual shield inert shielding gases and mixtures, troubleshoot FCAW equipment and welds completed in the vertical and overhead position (3G 4G positions). Two hours lecture, three hours lab.
## WELD $145 \quad$ 3.0 Units <br> Intermediate Pipe Welding 7018 STK

Prerequisite: Industry experience. Emphasizes API 1104 certification. Code, pipe classification and identification. Completion of the course does not guarantee certification unless welding procedure qualification tests are passed. Pipe welding is a skill that requires a great deal of hand eye coordination. Hours of practice are needed to master skills to advance and become skilled for employment. Two hours lecture, three hours lab.

## WELD 175 3.0 Units

CNC Plasma (Cutting Automation)
Course Advisory: SCC minimum English and Math standards. Designed to educate students on automated plasma cutting skills and processes and related CNC metal working equipment. Two hours lecture, three hours lab.

## Campus Maps - Vallejo

The Solano Community College Vallejo Center is located at 545 Columbus Parkway.

## DIRECTIONS FROM

FAIRFIELD/VACAVILLE/DAVIS/DIXON
Take I-80 toward San Francisco and exit at Columbus
Parkway. The Solano Community College Vallejo Center is located approximately $1 \& 1 / 2$ miles on your right.

## DIRECTIONS FROM

PLEASANT HILL/CONCORD/WALNUT CREEK
Take 680 North to 780 West. From 780 West take I-80 East toward Sacramento. Exit at Columbus Parkway. The new Solano Community College Vallejo Center is located approximately $1 \& 1 / 2$ miles on your right.

## PARKING

Parking at the Vallejo Center is $\$ 20$ per vehicle. The permit is valid for the Fairfield campus and the Vallejo and Vacaville Centers.

Daily parking permits are available for $\$ 1$ from the machine located in the parking lot and are valid for all campus locations. Parking is enforced 24 hours a day.

For additional information or inquiries please go to: www.solano.edu/vallejo or call the Vallejo Center at (707) 642-8188.
