

SOLANO COMMUNITY COLLEGE DISTRICT

**BUDGET – UNBUDGETED EXPENDITURES,
EMERGENCY AND CRITICAL NEEDS**

3030

POLICY: After adoption of the budget, the Governing Board generally will not grant proposals for any expenditures not contained in the adopted budget unless it is convinced that an emergency or a critical need exists with regard to the additional expenditures.

An emergency is generally defined as a condition which presents an immediate and/or continuing adverse effect to the health, safety and/or welfare of the students, staff or public or to the maintenance and preservation of District equipment and facilities. The Governing Board shall be the sole determiner as to the existence of an emergency.

A critical need is defined as a condition caused by unforeseen needs, which, if not met, could seriously impact a program.
