

SOLANO COMMUNITY COLLEGE DISTRICT

DISABLED STUDENTS PROGRAMS AND SERVICES

5365

POLICY:

It is the policy of Solano Community College District to provide equal educational opportunities for students with disabilities in accordance with state and federal law and regulations including Title 2 of the Americans With Disabilities Act of 1990, Section 504 of the Rehabilitation Act of 1973, and Title 5 of the California Code of Regulations. Pursuant to Title 5, Sections 56000-56076, the District has developed the Disabled Students Programs and Services (DSP&S) to assist students with disabilities in securing appropriate instruction, academic accommodations and auxiliary aids. It is the intent of the District that such individuals be served by regular classes and programs whenever possible. To that end, students with disabilities shall be admitted to courses and programs and matriculate through such courses and programs on an equal basis with all other students. To ensure equality of access for students with disabilities, academic accommodations and auxiliary aids shall be provided to the extent necessary to comply with state and federal law and regulations. For each student, academic accommodations and auxiliary aids shall specifically address those functional limitations of the disability, which adversely affect equal educational opportunity. When the severity of the disability of an otherwise qualified student precludes successful completion of a course required for graduation from Solano Community College, despite an earnest effort on the part of the student to complete the course and despite provision of academic accommodations and/or auxiliary aids, a course substitution or waiver of the course requirement shall be considered.

The District will maintain specific criteria and procedures to implement this policy.
