Subject: Solano Community College District Presidential Search Progress Report #3

I am pleased to report that the Search Committee met last week and has made significant progress in our goal of selecting a new Superintendent-President for Solano College. We are moving according to schedule and the committee has selected a strong pool of candidates that will participate in the semi-finalist interviews in a couple of weeks. On the afternoon of November 17th, we will hold public forums for the selected finalists, and you are welcome to participate. The times for the public forums will be forthcoming. Please be on the alert for future communication from me, as we move forward in the search.
